Dear Mr. Brimont,

As a result of the plant evaluation conducted on September 7, 2015 we are pleased to inform you that your company is **Approved with limitations** to supply the 9COM material(s) listed in the attachment.

This approval is granted for your manufacturing plant DELCORTE SAS in MAUBEUGE, FRANCE.

This approval should not be regarded as a commitment from Aramco Overseas Company (AOC) to purchase from you. However, your company will have the opportunity along with other approved suppliers to respond to requests for quotation in accordance with AOC's established policies and procedures.

Unfortunately 9COM Material 6000003821 is **On hold**, until further notice, as currently DELCORTE SAS does not have the required API license.

We would like to take this opportunity to thank you for your interest in doing business with AOC and Saudi Aramco. Please quote the above referenced Vendor ID and Plant ID in all future correspondence.
